Each week volunteers who have worked at Ricky's Pace receive an email with a wrap up of the previous Monday.
This was received last week, and I feel worthy of sharing with you all

"A little reminder of why we do what we do…
I want to share a special note from a follower on Ricky's Place Facebook page:
"I love that it's local. Has been very beneficial for myself where I can go somewhere community orientated without engaging because I'm awkward. I hope I can give back, it's amazing to see so much effort going into what you might not notice, mental health, damn good food, politeness and safety. I am grateful".
…and that's why **we (you!) do what we do**. 🩶 🩶 🩶
It's a lovely reminder that Ricky's is about so much more than a good meal - it's about creating a place where people feel welcome, safe and part of the community, in whatever way feels right for them."

For those who are unsure what Ricky's Place is, it is a service/mission that is held in the St John's Hall every Monday. It is run in collaboration of the Anglican Parish of Bega with Sapphire Community Projects with 2 part-time supervisors and volunteers. The food used for the meals is mainly donated from local supermarkets, The Community Pantry, local generous gardeners and growers. The volunteers generally serve around 100 people and package the remainder for the Community Pantry. No one is asked to pay, but many make a donation which goes back to Ricky's Place.

To receive a message as above, must be more thank gratifying for the volunteers.

Remembrance Day November 11th: you may wish to join together at the Tathra Memorial at.1045. This is an informal gathering to show respect and gratitude to the men, women and animals who served and sacrificed to keep Australia free, in past and ongoing conflicts.
