Following Wendy Elliott's most enlightening presentations at each of the Parish centres, there have been sone very generous donations made to her mission.
Wendy has been giving me updates top share from messages she has received.
"The money will be used for the purchase o0f cement and work costs"
The work on the foundations has commenced. Professional workers are paid $25 a day. Many of Hariani's congregation help freely.
Let us all pray for the continued support of this mission and give thanks for all Wendy does.

Parish Council met this week. Some points of interest:

- Quotes have been received for the installation of the Audio-Visual system.

An electrical review is required prior to the installation of the system.

- The Website is near completion and requires a few minor adjustments, but from what PC has seen it is amazing, and will allow the Parish of Bega to be shared with many more people.
- The gas system to the hall will be upgraded to ensure no further "run out of gas" events.
- Plans for Advent and lead up period were discussed and events and dates will be advertised in upcoming Pew sheets, well in advance
